Holiday in the Pencils

Arrived Nov 15, 2018

Finally arrived in the Pencils yesterday evening. Flight over was hell on two wings. Wasn't long before I was neck deep in two eggs over-easy from our wait at the airport.

The Pencil Islands are stunningly beautiful, as the day passes, the sky changes hue, and the mountains take on different shades of color. They really do look like pencils too.

Monstrous! Nov 16, 2018

Today I went on "The Monster", the jet boat from Hell. All went fine until the 3rd turn, when I had a repeat visit from the buttermilk waffles and raspberries I had for breakfast. Hope this is not becoming a recurring theme of the trip.

Let it be known throughout the land (not just Cleveland, but all lands that enjoy fantasy football): No week, no month, no season has paid into the old adage “ANY GIVEN SUNDAY,” like the first four weeks of 2018.. As mother would say, make sure to be prepared and plan ahead Also, what’s the deal with giving the Redskins a bye into a MNF game.. Sign up to use the Week 4 Infirmiry, LB, Indianapolis The early DROY/IDP MVP candidate spotted in a walking boot, but could be precautionary.. Picks Of The Week: Feedly Boom For Mac ProBOOM is an arcade game in the grand tradition, bringing the playability and feel of the glorious 8-bit consoles on the Macintosh.. I know the pagan wedding was alternative, but she was dressed like Lulu in the 1969 Eurovision Song Contest (alas, not with as many notes to her voice as the award-winning Boom Bang A Bang).. Before we give you some names, let's start with those who may no longer be with us [in Week 5].. 2018 Fantasy Football Week 5 IDP Waivers Manage all your fantasy teams in every league in just one place.. Next Man Up: (who?) SS is also having a good season, but is banged up; If he's good to go, he might gobble up what's left in the Dwayne Johnson sized void left by Leonard.. But thinks he'll be OK May have to miss some time — Jim Wyatt (@jwyattsports) has his troops playing like they deserve to be atop the absurdly interesting AFC South; Woodyard was an IDP stud last year so the odds are he's rostered in your league.. Has had the bye week to rest up, much needed as he hasn't looked like his old self.. Frank Grimes (on Twitter @FrankGrimesData) is a developer at Kraft Analytics Group, a technology and services company in the sports and entertainment industry.. Alas, reinforcements have arrived from the [AFC] North amongst other places Perennial IDP stud has served his suspension along with Dallas DT, DT Corey Liguett, DB, and current and former CB.. It can be described as 'Bomberman meets Doom' The lack of KC data leans the pick towards New England this week. cea114251b [Download Mobile Apps On Mac](#)
