Our decision on your application

I am pleased to confirm that we have approved your application for a New Zealand resident visa.

We have accepted the evidence that you provided for the transfer of your nominated investment funds to New Zealand and placement in acceptable investments. Your investments are as follows:

Resident visas and travel conditions

We have granted you and your family each a visa with travel conditions. This visa allows you to live, work and study in New Zealand indefinitely and will not expire while you remain inside New Zealand.

There are two types of travel conditions on the resident visas issued to you. The travel conditions of your visas appear on the top right-hand side of the visa labels in your passports.

The 'first entry before' travel condition means that you each must arrange to travel to New Zealand before 27 February 2018 in order to keep your resident
