Digital pianos do not have the same range of voices as these are built to take the place of an acoustic piano.

Bear in mind which functions you really need when choosing a keyboard to buy: Different voices.. Most are in the newer SFF2 format that is used by the PSR-S910 This collection is made from the selected styles of CVP-209210, PSR-90009000PRO.. When you have finished the song you are given feedback as to how you did Split Keyboard Mode: This allows you to play a different instrument with either hand, for instance you might play piano with one hand and organ with the other.. T4 and T5 have a lot of MegaSuperArticulationRegular choir voices PSR models have only Choir (legacy), GothicVox, UuhChoir, Gospelvoices, etc.. But S970 has two new Choir voices (BoysChoirAah and BoysChoirOoh in SuperArticulation and Live).
